

# GEORGETOWN TO TAKE PART IN THE AMERICAN HENLEY

## GEORGETOWN ENTERS AMERICAN HENLEY

Plan Adopted to Keep Second Crew Interested During Season.

### MIDDY DATE TOO EARLY

Manager Stuart Notifies Navy His Crew Won't Be Ready by April 6. Work on Machines.

The date of April 6, which was set for the annual boat race between Georgetown and the middies, is, in the opinion of the Georgetown crew management, too early, and Manager John McHenry Stuart, of Georgetown, last night informed the men at Annapolis that Georgetown would be unable to row on that date.

Instead of concentrating its energies on this particular race, Coach Murray A. Russell will send a second crew to compete at the American Henley, and will keep up the second crew during the year. Last year considerable difficulty was found in procuring the necessary substitutes for the eight that went to Poughkeepsie. Georgetown was woefully lacking in this respect, while the other crews there last year had plenty of material to draw from.

### To Encourage Second Crew.

It is the idea of the Georgetown authorities to keep the second crew intact, so that should any of the men who make up the No. 2 boat be found developing, they will be available material for the first boat. In the past years Georgetown has never had a real good second crew, which would serve as a punemaker and foil for the varsity boat. The work has started in earnest, and daily the machines are in use, and a slight course of training is being given the men. They will not have to go into the strict training probably until they get on the river, as soon as the weather moderates.

### First Rate Material.

This will be the first appearance of the Blue and Gray men at the American Henley, and should add considerable interest to the race. Last year Georgetown was up to the last minute had hopes of competing, but was forced to withdraw. This year the condition of the treasury will warrant a slight outlay for the trip and enable the Georgetownians to gain valuable experience.

There is some good material for the second boat and the bulk of it will be known from prep work of last year. After the Henley race if there are any good men brought out, they will at once be given a chance in the varsity boat. Practically all of the eight who rowed last year at Poughkeepsie will again be ready to fight for their seats in the boat, and with the last minute training at Henley should draw out the contest for the coveted places in the first boat will prove interesting.

## NUTES' BASEBALL SCHEDULE READY

Many Good Games, But No George Washington Date.

The schedule of the Gallaudet College baseball team for the season of 1907 has been completed, with the exception of an open date on June 8, by Manager O. W. Underhill. The Kendall Green aggregation were anxious to have their annual game with George Washington, but the George Washington University management insisted on a date in March, too early to get into shape.

Although Leitch, Hinch, McCandless, and Majure, of last year's strong team, are missing, Captain Cooper is an able leader and is expected to mold a team from his nucleus and the new material.

### The Schedule.

The schedule is as follows:  
April 6—Washington College, of Chesapeake, Md., at Kendall Green.  
April 13—Fredericksburg College, at Fredericksburg, Va.  
April 15—Richmond College, at Richmond, Va.  
April 17—Georgetown University, at Georgetown, D. C.  
April 20—Fredericksburg College, at Kendall Green.  
April 27—Western Maryland College, at Westminster, Md.  
May 4—Catholic University of America, at Kendall Green.  
May 8—United States Naval Academy, at Annapolis, Md.  
May 12—St. John's College, of Annapolis, Md., at Kendall Green.  
May 15—Virginia Theological Seminary, of Alexandria, Va., at Kendall Green.

## MONSTER BASKETBALL CARNIVAL IS PLANNED

NEW YORK, Jan. 19.—Arrangements have been completed for the greatest championship basketball tournament ever held in this country. Twenty-eight basketball teams, considered the leading exponents of the game in the East, have entered the Protective Basketball Association championship tournament. The tournament is scheduled to start on or about February 15, and will continue with two playing nights weekly until completed. There will be two classes, one for heavyweight teams averaging over 180 pounds and one for lightweight teams under 140 pounds. The number of lightweight entries is so large as to require the division of the contesting teams into groups of seven, which will play round robin; the winners of each round robin of division will then meet to determine the championship. There has yet been no decision reached as to where the tournament will be held. Several places in New York and New Jersey are being considered, and a decision will be made in a short time.

NOTABLE COLLECTION OF BOXERS.

Left to Right—Tommy Burns, Abe Attell, Featherweight Champion of America; Frank McDonald, Who Trained Joe Gans for Battling Nelson; Jim Jeffries, Champion Fighter of the World; Jack (Twin) Sullivan, and Philadelphia Jack O'Brien, Fastest and Trickiest of the Present Heavies.

BALTIMORE, Md., Jan. 19.—Prof. Johnnie Doyle, famous local athletic instructor, had a great triumph at the Baltimore Athletic Club gymnasium last night when his men won twenty points for the top honors of the inter-city amateur wrestling tournament.

In the lightweight division W. E. Cook, in the middleweight class A. E. Punte, and among the heavyweights W. S. Connors, all Baltimore men, won the events. As Doyle has for years been recognized as one of the leading developers of wrestlers and other athletes, his success tonight was most pleasing to his numerous friends at the tournament.

Washington Did Well. Carroll Institute of Washington, won second honor with ten points. The Washington Y. M. C. A., and the Calumet Athletic Club, of Baltimore, tied for third place, with five points each.

For Carroll Institute the successful men were H. Wiley, in the 120-pound class, and V. M. Herron, in the 155-pound class. This organization only entered two men, and they won.

T. S. Williams, of the Washington Y. M. C. A., a mute from Gallaudet College, won the 145-pound event, and gave Connors, a heavyweight, a hard pull in the final for the 158-pound class.

## GRIDIRON HEROES IN FOOTBALL ON STAGE

Local college men have consented to appear on the stage of the National Theater during the engagement of Robert Edeson in "Strongheart," the college play. One of the most striking scenes in this drama is pictured in the campus and training quarters of Columbia College, New York city. Two teams in all the appearances and apparel of the plucky battled line up on the stage, and interest will be very keen among the younger theatergoers to see their husky favorites in historic doings. Robert Edeson, who is an athlete of note, will train the boys for their stage football.

## ASSOCIATION BOWLING STANDINGS CHANGED

Largest Crowd Yet Sees Games—Captain Eckstein in Second Place and Hardie in Third. Special Matches Tomorrow.

A crowd breaking all previous records turned out to see the doubles and singles in the big tenpin tourney of the City Association last night.

It was rewarded with some of the best scores of the week. Robinette and Bontz took third place from Miller and Burdine, in Class A, through a set of 614 by Robinette, who started off with 225.

Captain Eckstein led in the singles, with a set of 603, taking second place from Rederick, of the Fat Men. Joe Hardie landed in third and Plutch in fourth place by sets of 583 and 589.

There remain but two sets in Class A, and the standing of the leaders will no doubt remain unchanged.

Oriental and Commerce capture \$20 each in classes A and B, respectively; Saengerbun and Philadelphia, \$10 each; Acme and National Guard, \$5 each. The winner of first place in classes A and B of the doubles receives \$10 each; second place, \$7; third, \$5 and there are several lesser prizes.

Tomorrow night there will be special matches after the tournament games. Two picked teams, consisting of Waters, Rederick, and Broonan vs. Brown, Campbell, and Knapp, will play for the title.

Secretary Meyers, of the City Association, go against President Livingston and Treasurer Schrader, of the Departmental League. The "Shorts" will meet the "Longs." "Shorts" will be Miller, O'Donnell, Harlow, De Yo, and Crist.

Heinold ran a string of 568 last night, placing him first in singles in class B, and Dr. Williams takes second with 551.

## Y. M. C. A. TEAMS WIN TWO GAMES

Regulars Defeat Baltimore, West Branch and Reserves Win From Western.

The first and second teams of the Young Men's Christian Association won both games of a double header in the Seventeenth street gymnasium last night by a good margin. The regulars defeated the West Branch Y. M. C. A. of Baltimore, in a fast game by 43 to 17, and the Reserves won from the Western High School quint by 21 to 15.

At the start of the big game both teams looked to be about even up in all departments except weight, the locals outweighing the visitors slightly. For the first five minutes neither could score. The Orioles managed to carry the ball to within scoring distance several times, but effective guarding by Williams prevented any goals until Brittingham opened things by a beautiful shot fifteen yards from the basket.

### Williams Ties Score.

Williams tied the score shortly after two free tosses, and Haight's goals, made in quick succession, put the Washingtonians in the lead. They were never headed after that, but several times before they secured a safe margin, excellent passing on the part of the Baltimoreans, coupled with accurate basket shooting, made the losers appear desperate.

The opening tally by Brittingham, Omohundro's overhead shot from a difficult angle, and the all-around work of McLain and Williams were the features.

### The Line-up.

Wash. Positions. W. B. McLain, F. F. Omohundro, Smith, R. F. Brittingham, Haight, R. F. O'Connor, Fowler, L. G. Polhemus, Williams, R. G. Mitchell.

Score—Washington Y. M. C. A., 43; West Branch, 17. Goals from field—McLain (6), Smith (6), Haight (5), Fowler (2), Williams (2), Omohundro (4), Brittingham (2), O'Connor (2). Goals from free toss—Williams (3), Omohundro (3), Fowler (2), Mitchell (1), Polhemus (1), Reserves—McLaughlin, Timers—Beckett and Egan. Time of halves—15 minutes.

### The Reserve-Western Game.

Both teams plainly lacked team work and practice in throwing goals, but both were evenly matched and a close game resulted. Western High set a fast pace in the first half, and at the close of this period the score stood, Western, 10; Reserves, 10.

In the second half, with the score 10 to 14, still in favor of the High School team, a man on that aggregation fouled, and May tied things up by landing a free toss. The winners went to the front shortly after and were never headed.

### Le Duc the Star.

LeDuc's long throw straight into the basket, in the second half, was easily the feature. The Western player gained possession of the ball while running. Stopping about the center of the gymnasium he made a try and scored one of the prettiest goals seen in the gym this season. The work of Polhemus, of the same team, and May, of the winners, was also worthy of note.

## BIG COLLEGES ENTER IN INDOOR CHAMPIONSHIPS

NEW YORK, Jan. 19.—Yale, Harvard, Cornell, Princeton, Pennsylvania, and Columbia will be represented in the intercollegiate indoor relay championship at the grand indoor arena of Columbia University to be held in Madison Square Garden on Friday evening, January 25. Gustavus T. Kirby, graduate director of athletics, and Ernest Stauffen Jr., who, with Manager Lage and Capt. John W. Brodix, are managing the games, have sent a special invitation to the Michigan University Athletic Association to send a team for the four-mile intercollegiate indoor championship.

## KING COTTON STAKE TAKEN BY JUGGLER

Adds Another Plum to Long List of Burlew & O'Neill String.

### ARABO SPOILS THE CHASE

Throws Rider, Runs With Field, and Keeps Incantation From Winning. Firebrand Runs Away.

NEW ORLEANS, Jan. 19.—Jugger, sold out of the stable of Harry Payne Whitney, added the King Cotton Stake to the long list of purses and stakes won by his present owners, Burlew & O'Neill, today, running the mile in windy, blistering weather in 1:29 1-5, and winning very easily.

The field of seven garded to go in the race was cut down to four runners by the withdrawal of Glorifier, James Reddick, and Minnie Adams, leaving the Burlew-O'Neill pair, Juggler and Alida, matched against the Corrigan pair, Alma Dufour and John Carroll. The latter, not ready for a race, was started in the interest of his stable companion and jumped off in front to a very moderate start, leading around the first turn with Juggler after him, Glid, away badly, coming next and Alma Dufour trailing. Half way up the back stretch Juggler passed John Carroll and went on in front, winning easily, though Nicol shook him up in the last sixteenth, taking no chances.

### Arabo Blocked Incantation.

T. D. Sullivan's old horse, Arabo, created a lot of excitement in the steeplechase and incidentally lost Incantation the race by, after getting rid of his rider at the third jump, racing up every obstacle along with the horses, finally finishing third and coming back to the judges' stand first, and waiting there as if "to lodge a claim of foul." Arabo was always near the front, and Hueston, on Incantation, was bothered a good deal by the riderless horse. Morrison, on Creolin, rode a very strong finish on the Corrigan horse.

Prior to the start for the fifth Firebrand, which appeared full of ginger to boot, overpowered Beckman and ran once around before he could be stopped. In his previous start Firebrand did the same thing.

### Daring Bookie Stung.

The first bookmaker to post a price about the Burlew entry in the stake was Fred Cook, who chalked up 3 to 5, and the first man to bet him was his trainer, "Bill" Phillips, who bet \$200 at the price.

Thirty-three bookmakers cut in today, and there was plenty of money in the ring. The opposition of the outlaws track across the river did not affect the attendance, as it did to some extent the last day of the previous week.
